# PROGRAM

## ***A SCOUT IS COURTEOUS and PREPARED.***

Merit Badge Mania is an opportunity for Scouts to meet with qualified counselors and earn merit badges needed for Rank advancement. Each merit badge class has a limited amount of seats. Please be attuned as to whether or not that boy is working on their prerequisites now and not expecting to get a “pass” when they arrive at class. If they do not do the prerequisites, the counselor WILL NOT sign off on that particular item and the boy will go home with a partial. Also, due to the limited seating, the unprepared boy could possibly have taken the seat of a boy who would have been prepared. This statement has been included due to complaints from past merit badge counselors regarding unprepared scouts.

Remember, it is you, the unit leader, who has final say as to how many and which merit badges a Scout may earn at Merit Badge Mania. If you do not think they are ready for the class, do not sign the scout up for the class. We are attempting to offer a wide variety of merit badges, so take into account the merit badge counselor resources of your troop and place the restrictions you deem appropriate on your Scouts attending Merit Badge Mania before approving their merit badge schedules.

The classes at Merit Badge Mania are designed to let the Scout leave with a completed merit badge. The goal is to have no partials at the end of the day unless there is a follow up date already scheduled (check the prerequisite listing). In order to accomplish this, prerequisites have been assigned.

*It is EXPECTED that each Scout have ALL prerequisites done prior to coming to class and be able to demonstrate that to the instructor's satisfaction.*

## **RIGHT TO LIMIT OR CANCEL CLASSES**

We reserve the right to limit registration for Merit Badge Mania or for any course. We also reserve the right to cancel courses or activities as needed. Although we do not anticipate the need to do this, there are limits on the number of participants we can accommodate.

## **FIRST COME, FIRST SERVED**

We have established class size limits to ensure a quality experience for your Scouts. Class attendance must be registered using our official web site ([www.migisi.org/threerivers](http://www.migisi.org/threerivers)). Many classes fill up quickly, so the sooner you register and enter schedules, the better opportunity your Scouts will get the classes they wanted. That said, it is also important to schedule wisely. A scheduled Scout is a seat taken and not available to anyone else. Also, please try to minimize the amount of schedule changes by making sure that this is the class the Scout really wants to do and will complete the merit badge prerequisites.

## MERIT BADGE REQUIREMENTS

Merit Badge requirements are revised from time to time. Merit Badge Mania will use the latest requirements as specified in the official BSA publications for all merit badges. Be certain the Scouts of your unit understand their obligation to fulfill the latest requirements and are in possession of the latest edition of merit badge books. We suggest you look at the prerequisite link on the website ([www.usscouts.org](http://www.usscouts.org)) for the most current merit badge requirements. Some merit badges require pre-Mania and/or post-Mania counseling; Scouts are expected to contact the counselor prior to Merit Badge Mania, if listed in the prerequisites. Other merit badges require only at-Mania counseling to successfully fulfill all the necessary requirements provided the appropriate prerequisites are done. Check the prerequisites for each Scout to determine what requirements should be completed before attending Merit Badge Mania.

Many Merit Badge Mania Counselors will be available by e-mail, telephone and personally to advise the Scout needing post-Mania counseling. The Merit Badge Counselor will provide the information if needed.

## CONCERNS

In the past, Counselors have expressed concerns that:

- *Scouts attending class were NOT in proper uniform.*
- *Scouts failed to show up for their class /classes.*
- *Many Scouts lacked preparation for the merit badges they sought (prerequisites).*
- *Many Scouts never bothered to obtain a copy of the merit badge book.*
- *Many Scouts "wandered" into a class for which they were not registered.*

To help remedy these concerns, please address the above with your Scouts before MBM and be advised that:

- *All Scouts must be enrolled for the merit badges they seek.*
- *NO Scout will be allowed to "WANDER" into a Merit Badge Class for which he has not been previously enrolled.*
- *Please work with your Scouts to register and prepare them appropriately.*
- *Consider your Scouts' schedule carefully so changes are not needed later. It is unfair to the Scout that had to take his second choice class because the first choice was full and suddenly someone decides to change classes and a later registering Scout gets the slot.*

***It is imperative that each unit, work with their Scouts in preparing for Merit Badge Mania. A list of requirements for each merit badge is available on the web site ([www.usscouts.org](http://www.usscouts.org)). The list has been developed to enable scouts to complete merit badges. Completing the prerequisites before Merit Badge Mania will help ensure that the Scouts receive full credit for a badge, rather than receive a "partial".***

# LUNCH

Lunch is included in the price of admission. Lunch includes a 6-inch sub, side and a drink. A menu is provided for you to choose during the registration of each Scout.

Any food allergies or other food issues need to be discussed with Merit Badge Mania chairperson so accommodations can be made. Please email [meritbadgemaniamania@gmail.com](mailto:meritbadgemaniamania@gmail.com) with any food issues.

Extra lunches or sandwiches may be ordered off the available lunch menu for a fee of \$4.50.

**When submitting lunch orders**, please divide your units lunch orders into Lunch "A" (11 am) or "B" (12:30 pm) packets. You must use one order form for each meal being ordered. See order form directions for any individual order more than one meal. A copy of the order form is located at the end of this packet.

**\*\*\*\*Please do not mail lunch order forms to Great Lakes Council\*\*\*\***

You can drop them off at Three Rivers Roundtable (there will be a box on the Boy Scout side).

**or... Mail them to**

*Merit Badge Mania

Southgate, Michigan 48195*

## FOOD CONCESSIONS

There are vending machines available in both the West Wing and the North Wing.

*NO FOOD WILL BE CARRIED INTO THE CLASSROOMS OTHER THAN DESIGNATED LUNCH ROOMS. ONLY WATER WILL BE ALLOWED IN THE CLASSROOMS, WITH THE EXCEPTION OF THE COMPUTER LABS, WHERE NOTHING WILL BE ALLOWED.*

---

# WHAT SHOULD I BRING?

*NOTE: The instructor has the option of asking a Scout to leave if it is determined that the Scout does not have all the materials needed to actively participate in the class (i.e. no prerequisites)*

- ✓ Class "A" Uniform
- ✓ Pens, Pencils, Paper, loose-leaf binders, clipboards and any other school supplies needed for advancement and merit badge classes.
- ✓ Blue merit badge card, signed by your Scoutmaster, for each merit badge class you are registered.
- ✓ Merit Badge book – each Scout must have his own copy with him in the room

## PRIOR WORK

Study the merit badge pamphlet(s) carefully prior to coming to Merit Badge Mania. You should know the information required of you before attending. These classes are to discuss what you have already learned by completing much of the work in advance. If you have questions, contact the counselor in advance.

So that your Scouts receive credit for work already done, any requirements that instruct you to "BRING," "COLLECT," "WRITE," or "DISCUSS" should be brought with you neatly prepared, typewritten and proofed for accuracy. Requirements that state "DO" or "COLLECT" may alternately be certified by a note from your Scoutmaster, unless noted otherwise in the prerequisites.

Please be certain that your name, address and Troop number also appears on your work.

## EQUIPMENT

Each Scout is required to be in possession of the Merit Badge Book for the class he is attending. **SUCCESS COMES TO THOSE BOYS WHO ARE, INDEED, PREPARED.** Scouts not in possession of the Merit Badge Book may, at the counselor's discretion, be denied admittance to the Merit Badge Class. It is recommended, therefore, that any merit badge books, equipment, materials or supplies be purchased prior to arriving at Merit Badge Mania.

Given the number of scouts enrolled in each merit badge class, we are unable to provide individually needed equipment. Scouts need to review the requirements for the merit badges they seek and bring whatever special equipment is needed.

All necessary equipment, materials and supplies will be provided for Finger Printing classes.

## BLUE CARDS

Please bring ONE signed Blue Card to Merit Badge Mania for EACH class registered. All Blue Cards will be collected and returned to the Scoutmaster (via troop mailboxes) by the end of the day. This allows the merit badge counselors time to fill out the cards during their "prep time" without wasting valuable teaching time during class.

## CLASS PASS

The Blue Card, prepared prerequisites and the Merit Badge Book are REQUIRED for entry into a class. The Scout Motto is BE PREPARED. So there should be no "I forgot it" or "I did not get one". It is the Scout's responsibility to have the Card, Book, Paper, and Pen/Pencil.

---

# ARRIVAL & CHECK IN

Each unit must provide 3 copies of their roster, which includes name and address for EVERY person (youth and adults) attending Merit Badge Mania; instructors should be listed with their unit. One copy will go to the district; one to council and one will remain with the college for their insurance purposes. If anyone does not wish to provide this information, they will not be allowed to participate and will have to leave the premises. Please have your Scouts wait in one of the wings and not in the Central Atrium. The troop representative will be in charge of checking in. You may tell your scouts to meet you in the North, East or West hall downstairs or the North or West hall upstairs. Please make sure your scouts know where to go BEFORE they get there as the staff will have no idea where you have designated your meeting place.

## PARKING

- All vehicles MUST be parked in the EAST parking lot. After entering the College drive way, follow the road to the RIGHT at the T-intersection.
- Please do not park anywhere there is not a painted parking spot.
- Vehicles that are improperly parked are subject to towing, at the owner's expense.
- NO PARKING ON THE GRASS OR SIDEWALKS at any time.

## CLASS VENUES

A Wayne County Community College Site map will be available in the Central Atrium. Classrooms are assigned an N, E, W or S meaning North, East, West or South. Numbers greater than 200 are located on the second floor.

## TROOP REPRESENTATIVE RESPONSIBILITIES

*There MUST be at least one adult representative per Troop who remains onsite for the ENTIRE event.*

- Please have it be someone that is not teaching a class so that, in the event of an emergency, we have the least amount of disruption for the boys as possible.
- The troop representative should have a copy of emergency contact numbers for the boys in their unit.
- Make sure an approved adult picks up all Scouts by 3 pm.
- There will be adult classes that the representative can take, such as Merit Badge Counselor Training, Troop Committee Challenge, and First Aid (if you are going to be sitting around anyway...why not get it done?) Please register with the Merit Badge Mania Chairperson. There is a minimum participation level for the class to avoid cancellation, so please register early.
- They could act as a "Librarian" holding merit badge books for boys that are sharing merit badge books

*Remember each Scout is expected to have the merit badge book for each class attending at the time they attend the class. As a cost saving measure, more than one boy can use one merit badge book provided that they attend different sessions of a given merit badge and can swap the book effectively.*

---

# CONDUCT & DISCIPLINE

## CODE OF CONDUCT

The Scout Oath, The Scout Law and the Outdoor Code shall be the code of Merit Badge Mania. Scouts and Scouters are to respect the privacy of others.

As with other scouting events, the use of alcoholic beverages, firearms, sheath knives and fireworks is **STRICTLY PROHIBITED!**

Remember that we are guests of Wayne County Community College. There shall be NO LITTERING and NO DEFACING or DESTRUCTION of property in any way

A Scout whose conduct is not consistent with the Code of Conduct will be referred to his Unit Leader for appropriate disciplinary action. Units unable to control the conduct of their Scouts will be directed to leave Merit Badge Mania immediately.

Under no circumstance shall a Scout be deprived of food, isolated, subjected to corporal punishment or abusive physical exercise as a means of punishment.

## PROPERTY DAMAGE

Each unit and its Sponsoring Organization shall be liable, in the full amount, for theft and / or property damage caused by its Scouts and Scouters. The Boy Scouts of America and Great Lakes Council BSA does not provide insurance protection to units or sponsoring organizations for theft and/or property damage.

## UNIFORMS

The uniform is an important part of the thrill of Scouting. It helps build spirit in the patrol, the troop and promotes the brotherhood of Scouting. Proper dress affects the appearance of Merit Badge Mania and encourages participants to act in a manner expected of good Scouts. Uniforms will be worn throughout Merit Badge Mania.

The uniform of the day will be the Field Uniform, also known formerly as the Class "A" uniform, for several reasons: one, because it is the right thing to do at a Scout function; and two, because the college is open to the public, it also allows us to keep track of the Scouts more easily.

*The Field Uniform consists of the Scout shirt (buttoned and tucked in), shorts / trousers, belt and socks.*

---

# HEALTH & SAFETY

## SECURITY

Wayne County Community College will be open to the public for registration during our event. Please be sure to secure personal effects and valuables. Please be vigilant with your units.

Scouts are expected to be in uniform to help with their identification and safety

Please report any incidents to the Merit Badge Mania registration desk in the Central Atrium.

## FIRST AID STATION

Any and all illnesses or injuries must be reported to the registration desk. Serious illness or injury will be referred for medical attention, as required.

In all instances involving emergency first aid, the adult leader at the scene shall dispatch a runner to the Health Officer at the registration desk for additional assistance. The Health Officer will take charge upon arrival at the scene.

Under no circumstances should a seriously injured person be moved without proper assistance.

All accidents or injuries requiring first aid must be reported to the Health Officer.

## DEPARTURES

Please make sure that all youth are picked up by 3 pm at the latest (The exception to this is the Scouts in Space Exploration which should be picked up by 3:30 pm.). Troop representatives should BE PREPARED to stay after the event to ensure that all youth in their troop have been picked up.

---

# MISCELLANEOUS ITEMS

## COATS, BAGS AND STORAGE SPACE

There will be no place to leave coats, bags, etc. Scouts will be expected to carry everything with them from class to class. One leader last year decided that they would leave coats in the car and just run inside. This is a unit decision and if that works for you then that is fine.

## MAILBOXES

Each troop must provide a "mailbox" to act as a lost and found as well as a place for counselors to place blue cards that were not completed in the classroom. Please limit the size of the box to no bigger than a shoebox as everyone must share one table. Please be sure to bring a box and not use an envelope. It is difficult to put things such as hats, books, etc into an envelope.

Please **CLEARLY** mark your box with your troop number and plan to pick up mailboxes between 3 and 3:30 pm and NOT sooner.
